A jewel was given to a young woman, of slender figure, for her commitment to one of the children of the most influential family of the Spanish nobility of the 18th century.

It is said: "the jewel was as golden as her hair, and possessed shiny and rounded stones of malachite as her green precious eyes, and that this jewel guaranteed luck and privileges throughout her life".

HYPNOTIC GEM

MALACHITE GEM

Malachite is a gem with attractive light and dark green tones.

This semi-precious stone is considered a protective stone and is widely used in jewelry.

Extracted from some of the most important deposits in the world, its precious green colour combined with 24K gold makes it irresistible to the beholder. This makes the faucets and bath accessories of this collection an unique and exclusive jewel for the bathroom.

RETRO KITCHEN

COLLECTION

Art Deco's glamorous attitude is living once again thanks to the design of this Collection. There is nothing timid about this models which radiates flash and dazzle.

Geometric forms, gentle swirls and rounded details are basic in Art Deco kitchens.
